IMPORTANT INFORMATION

- If the assets will be used to establish a new GET account, you must also complete an enrollment form during an open enrollment period (between September 15 and March 31).
- If the transfer or rollover is to an existing GET account and you need to designate a new Student Beneficiary to make the transfer or rollover valid, you must also complete a Student Beneficiary Change form.
- A “family member” means parents, brothers, sisters, stepparents, stepbrothers, stepsisters, children, stepchildren, aunts, uncles, first cousins and other eligible blood or legal relatives per IRS Code Section 529. Please call us if you have questions.
- Please consult a qualified tax advisor to determine if the rollover/transfer qualifies as a tax-free rollover. The State of Washington does not offer tax advice.

Rollover/Transfer instructions:

Rollover/transfers from another GET Account:

Do not complete this form. Instead complete the GET Transfer Request form.

Rollover/transfer from another 529 plan (including a Qualified Tuition Program):

- If you are transferring or rolling over funds from another qualified tuition program, the deposit of the transfer or rollover must be made within 60 days of the withdrawal to be free of federal income taxes and penalties. In addition, the beneficiary of the account to which the transfer or rollover is made must be a member of the family of the beneficiary of the account in the other program. A transfer or rollover can be made without changing the beneficiary, provided no transfer or rollover from a qualified tuition program has occurred for that beneficiary within 12 months of the date of the transfer or rollover contribution being made with this form.
- You must provide a statement issued by the plan from which the transfer or rollover is being made that shows the earnings portion of the distribution. If this documentation is not provided, we are required to treat the entire amount as earnings.
- The other 529 plan may require you to complete additional forms or may assess fees. Check with the other plan for details.

Rollover/transfer from the redemption of a Coverdell Education Savings Account:

You must provide an account statement issued by the financial institution that acted as trustee custodian of the Coverdell Education Savings Account that shows the contributions portion (basis) and earnings portion of the account. If this documentation is not provided, we are required to treat the entire amount as earnings.

Rollover/transfer from the redemption of qualified US Savings Bonds:

You must provide an account statement or Form 1099-INT issued by the financial institution that redeemed the bond which shows the interest (earnings) from the redemption of the bond. If this documentation is not provided, we are required to treat the entire amount as earnings.

How to Submit this Form

Submit this form along with your rollover contribution directly to GET. Do NOT submit this form to the program or financial institution from which the funds are being withdrawn. If the financial institution from which the funds are being withdrawn has not yet completed the rollover distribution and appropriate documentation, please contact them directly and ask them to do so (unless you have requested that we initiate your rollover, in which case we will contact the other plan).
